

ABOUT KEEPSAFE

More than 65 million people rely on Keepsafe's secure vault to protect their private photos, videos and documents. For people who want control over their privacy, peace of mind, and the freedom to be themselves, Keepsafe locks down personal items so they stay private.

Founded in 2012 and based in San Francisco, CA, Keepsafe is on a mission to protect people's personal space. Keepsafe makes privacy simple in the digital world.
